Synthetic maintenance-planning reference; not an ABB document.

Document ID: MAN-P102-SCOPE-001
Version: 1.0
Asset scope: P-102 (fictional CP-100 pump).

Section: Inspection-only scope

This planning scope covers inspection only for P-102. Do not substitute this scope for the P-101 bearing-replacement scope.

Planning estimate: 90 minutes; crew: one MECHANICAL technician.

Document ID: MAN-P102-SCOPE-001
Version: 1.0

Section: Scope limitation

This inspection-only scope applies to P-102.

Do not substitute this scope for the P-101 bearing-replacement scope.

This synthetic reference contains planning assumptions only, not repair procedures.
